Deepwater Container Terminal Gdansk

WELCOME TO DCT GDANSK S.A.

AVOIDING INCIDENTS AND ACCIDENTS

Please read, understand and follow the important safety rules before entering the terminal:

I General safety rules:

1. Pedestrians are not allowed on the terminal.
2. Personal safety equipment such as safety clothing and helmets shall always be used when visiting the terminal.
3. Smoking is permitted only within designated areas. Smoking in vehicle cabins while on the terminal is strictly prohibited.

II Specific guidelines for vehicle drivers:

1. Containers are to be locked/unlocked in the parking area outside the terminal.
2. Traffic must always follow defined vehicle paths and directions. It is necessary to follow all traffic signs (sign posted and marked on the ground). "Shortcuts" are strictly forbidden.
Speed must be adjusted to prevailing conditions. The terminal speed limit is **30 km/h**.
3. Each vehicle must STOP at every exit from the yard stack blocks.
4. Terminal heavy vehicles (STS and RTG) always have pass priority.
5. The driver must stay inside the vehicle cabin when a container is being loaded/unloaded on the trailer.
6. The driver must park the vehicle only at designated areas. The driver must cooperate with the RTG operator to ensure safety loading/unloading operations to/from the trailer.
7. Mobile phones and electronic devices for listening to music must not be used during loading/unloading operations.
8. Carriage of passengers is prohibited.
